Summer Homework

Nursery

Website: www.maps.edu.pk

Dear Parents

Wondering what skills to work on with your child over the Summer? This little work pack will make it easier for you!

Just try to follow the work pattern given in the worksheets to find a skill to work on each day with your child. The skill will not take longer than a few minutes to complete, but serve as a great, constant review of the skills that the kids have learnt in this term.

I hope that you all have a fun and safe summer with your families! Please remember to set aside a couple of minutes each day to work on some of these skills. Join the summer reading challenge! Encourage your child to read at least 3 stories from ORT (PG to Nur) for a chance to win a special prize. The more they read, the more they can win! And get certificates as well It's a great way to keep them engaged and excited about reading this summer.

Please note that the school will remain closed for summer vacation from Monday 01st July 2024 till Sun 04th Aug 2024 and will reopen on Mon 05th Aug, 2024 In Sha Allah. A copy of this homework is also available on the webpage of the school www.maps.edu.pk

Please feel free to reach us out if you have any query.

Have loads of Fun! HAPPY HOLIDAYS.

Thanks

Best wishes
