Homework for Winter Break

Dear Parents/Guardians,

We are delighted to announce the successful conclusion of the 2024 academic session. It has been a pleasure watching your child grow and progress throughout the year.

To help keep your child engaged with their studies during the break, we are providing a work pack that includes a variety of fun and educational worksheets, along with activities in reading, writing, and mathematics to practice over the vacation.

Additionally, a spelling bee list has been included in the homework, so your child can continue to work on spelling skills.

For extra support in phonics, we will be providing Jolly Phonics Book 2, which will help build and strengthen your child's phonics skills. The cost of this book will be added to the January school fee.

Dear Modernite, we know you've been eagerly anticipating the Winter vacation. While it is important to enjoy your time off, it's equally crucial to stay connected to your studies. We encourage you to recognize the value of homework, take responsibility for completing it accurately, and submit it on time. To assist with this, your teachers have created worksheets to help you prepare for the upcoming academic session and the challenges ahead.

We hope you have a joyful and safe Winter vacation with your families. Please note that the school will be closed for the Winter vacation from Saturday, 14th December 2024, until Sunday, 2nd March 2025. We will reopen on Monday, 3rd March 2025, In Sha Allah.

Thank you for your cooperation. A copy of the homework is also available on the official school website, www.maps.edu.pk, as well as on the Modernage portal and app.

Best Regards

Principal
